HONORS & AWARDS

- **Cum Laude**
  July 2023
- **Best in Thesis**
  July 2023
- **Best in Computer Programming**
  April 2019
- **Academic Excellence**
  June 2021
- **With Honors**
  April 2019

SKILLS

- Problem Solving
- Team Collaboration
- Communication
- Attention to Detail
- Time Management
- Adaptability
- Flexibility

JOSHUA SEMANA

RECENT COMPUTER SCIENCE GRADUATE

PROFILE

I am an enthusiastic individual passionate about both user interface design and software development. My satisfaction lies in crafting captivating and user-friendly interfaces for websites, mobile devices, and desktop software. Equally, I take pleasure in the programming process and thrive on building applications from the ground up.

INTERNSHIP EXPERIENCE

Software Developer Intern

Cusyma Technologies Co., Quezon City | February to May 2023

- Collaborated with senior software developers to debug and resolve issues in client software products, enhancing overall product quality.
- Contributed to the development of e-commerce websites, POS systems, and other software applications, including adding new features to meet client requirements.
- Designed and coded a landing page for a client's website using HTML, CSS, Bootstrap, and Blazor.
- Utilized Figma for the design phase, ensuring alignment with client's branding and user experience expectations.
- Gained hands-on experience in identifying and troubleshooting bugs within existing codebase.
- Worked in a team environment to understand client needs and implement effective solutions within project timelines.
